(Foxtail Lily)

Prices quoted are for roots with one crown which have BLOOMED AT LEAST ONCE. Roots are shipped from Sept. 1 to Nov. 15. Plants bloom during May, June or July. ORDER EARLY as supply of some varieties is limited. **MINIMUM ORDER \$3.00.** Washington residents please add 3-1/3% State Sales Tax.

State Inspected

**S P E C I E S**

Each Three Doz.

**AURANTIACUS**

Slender orange spikes from 4 to 6 ft. tall.  
Small root system. Blooms latter part of June.  
Is seldom listed .....

\$1.75    \$4.75    \$18.50

**BUCHARICUS**

Its white flowers have a faint lilac tint.  
Very rare and distinct as the segments are  
recurved. Small, brittle roots. Blooms in  
July .....

5.00

**BUNGEI**

A vigorous plant whose slender, citron yellow  
spikes reach a height of from 4 to 6 ft. Excellent for  
cutting. A good increaser. Small root system. Blooms  
latter part of June .....

1.25    3.50    12.50

**ELWESIANUS ALBUS**

Magnificent pure white variety with huge spikes.  
Scarce. Large root system. Blooms about the  
middle of May .....

3.50    10.00

growing florets. A good increaser. Blooms about  
the middle of May .....

3.00    8.00    30.00

**OLGAE**

White or pale pink florets having a brownish rib  
down the center of each petal. One of the rarest  
of the Turkestan species. Small root system.  
Blooms in July .....

4.00    11.00

**ROBUSTUS**

This spectacular pink giant is the true species  
of Eremurus. Increases slowly. Large root system.  
Blooms in May or June. ....

2.00    5.00    18.50

Each Three Doz.

## SPECTABILIS MARGINATIS

Florets are yellow tinged with chartreuse.

An odd and distinct spike as the florets grow  
very close to the stem. Rare. Blooms in June ..... \$10.00

## H Y B R I D S

Most of the hybrids bloom during the middle part of June, grow from 5 to 7 feet high, and are excellent for outstanding flower arrangements. The sizes of their root systems vary. Starred (\*) varieties have been developed in our own gardens. They are produced from seed which results in slight variations of tints and shadings.

### UNCLASSIFIED

These are not labeled as to name or color but are predominantly yellow, pink or orange blends.

Make a colorful showing ..... 1.75    4.50    16.00

## PLANT FOOD

Our NEW GROWTH plant food is blended especially for the culture of Ere-muri but is also excellent for other garden plants. Contains the trace elements. One pound makes 90 gallons of liquid-feeding fertilizer. Instructions included. Prices f.o.b. Colville: 1 lb., 45c; 5 lbs., \$2.00; 10 lbs., \$3.80. Sufficient postage should be included with remittance; otherwise shipping charges will be C.O.D.

~~~~~

This list cancels all previous quotations and prices given herein are subject to change without notice.

**ORDER EARLY.** This gives us sufficient advance notice of your requirements to enable us to determine the kinds and quantities of roots we must prepare for shipment. We ship at proper planting time. All orders are filled in the order of their receipt by us, unless a later planting time is preferable for your area. Toward the end of the season many varieties are sold out. THOSE WHO ORDER EARLY ARE BEST SERVED.

## QUANTITIES AND PRICES—

Prices quoted herein are for roots with one crown and not for clumps or extra large roots. Please do not request special consideration. We treat all of our customers alike.

1 or 2 plants of one kind are sold at the each rate.

3 to 5 plants of one kind are sold at the three rate.

6 to 24 plants of one kind are sold at the dozen rate. Write us for special prices for 25 or more plants of one kind.

**REMITTANCES MUST ACCOMPANY ORDER**—Your remittance and order will be acknowledged when received. Checks, money orders or bank drafts may be used. Please avoid the use of currency as much as possible. Roots ordered from this Price List (not Collections) may be sent C.O.D. if a 25% deposit is received with the order.

**SHIPPING CHARGES**—Our Collections are shipped postpaid. For other orders of from 1 to 4 roots, please add 75c for shipping charges; for orders of from 5 to 10 roots, add \$1.00; for orders of more than 10 roots, please add 10c per root. **IF THIS IS NOT INCLUDED IN YOUR REMITTANCE, THE SHIPMENT WILL BE SENT WITH ALL SHIPPING CHARGES COLLECT.** Express shipments are sent collect. All costs incidental to effecting foreign shipments are additional and must be paid in advance.

**CULTURAL INSTRUCTIONS** will be sent free with each order. The U.S.A. is a large country with widely varying climatic and soil conditions. Our instructions are a guide in the right direction but it is impossible for us to study conditions everywhere and predict the results. Your success or failure with Eremuri will depend largely upon how you plant and care for them.

**WE GUARANTEE** all roots to reach you in good condition. Claims must be reported within five (5) days after arrival. After five (5) days it is mutually agreed that stock is satisfactory. If stock is unsatisfactory on arrival, be sure to get a signed statement from your express agent or postmaster showing extent of damage, and send this in with your claim. Do not return the plants unless so instructed by us.

**THE LIFE OF A PLANT, AFTER IT REACHES YOU IN GOOD CONDITION, DEPENDS ENTIRELY UPON CONDITIONS OVER WHICH WE HAVE NO CONTROL. HENCE, WE MAKE NO GUARANTEE OF ITS PERFORMANCE IN YOUR GARDEN.**

We guarantee our plants to be true to name. Any found to be untrue to name should be returned **WHEN DORMANT** and we will gladly replace the number returned free of charge. Our roots are State Inspected and are free of disease.

All roots are offered subject to crop failures, shortages, or other conditions beyond our control and to being unsold upon receipt of order. In case we are sold out of a variety, we shall supply another equally as good or better, **UNLESS YOU ADVISE OTHERWISE.**

**WE ARE ALWAYS GLAD TO ANSWER ANY QUESTIONS REGARDING THE CULTURE OF EREMURI. WE WANT TO GIVE YOU AS MUCH HELP AS WE CAN.**
